## FINANCE AND STEWARDSHIP REPORT

Realizing how the Lord has so wonderfully blessed each of us and each of our Churches, your Finance and Stewardship Committee has made a special effort during the year to encourage a better support from each church and to keep you informed of our procedures.

The committee recognizes that good stewardship is as much a part of a Christian life and dedication as any other thing. Therefore, we continue to encourage you to pray for and support your Association and Cooperative Program. We realize that of necessity our budgets will be increased for the new year, but we are sure that each of you will want to assist in meeting these obligations, so that our mission work will continue not only at home but around the world.

Our record for the year is:

Association:$20,025.50

Cooperative Program:

This is good. We thank you for your support, but we hope in the future we may even do much better.

Will each of you ask your people to strive to increase Associational Missions and Cooperative giving.

The Committee recommends that the Association request $1,500.00 from the Baptist State Convention for our Associational Missions Program for next year.

Respectfully submitted,
Ernest L. Davis, Sr. Chm.

## CHURCH TRAINING

A clinic was held in November for various committees of our churches. Ushers, Treasurers, Musicians, Stewardship, Nominating and Clerks were invited to attend this session at Lamberth Memorial Baptist Church. Clinicians were local pastors and our main speaker for the evening was Roy Smith from our State Training office in Raleigh.

In February, a new Church Training program was started at Old Lea Bethel Baptist Church. Your Associational Training Director assisted by meeting with the congregation and in conference with the leaders.

April 4th was listed as a "New Day" in the Southern Baptist Convention. Letters were sent to churches asking them to list their new training work of any description with us in order that we might make a report to the Church Training Department. It was their deisre to establish a success in increased enrollment in training this year. (Our Association was unanimous in that none reported to this office.)

Respectfully submitted,
Vernon Lewis

## SUNDAY SCHOOL

As we come to the beginning of another year of church work we rejoice in what we see and feel on the horizon in the life of Baptist Sunday School work. This year, as in years gone by, there shall be storehouses of opportunities for those who wish their Sunday School to be one that is alive, reaching out and growing. In 1975-76, we began our year on November 2 with Reach Out Rally Day. For the second year Southern Baptists had record attendance in both Sunday School and Worship. On November 24, pastors, church leaders, associational workers from all across the state met at various locations to prepare for January Bible Study on the book of Hosea. Your associational Sunday School Director attended the conference held at Southeastern Baptist Seminary. Much information was given here and similar conferences will be held this November. Our January Bible Study for 1977 will be the book of Romans. On March 17-19, 1976, five Beulah Baptist ministers attended the State Vacation Bible School Clinic at Wingate College. These ministers prepared themselves for the associational clinic which was held on May 4 in the Beulah Association. The Associational Clinic was successful and attendance was good. The 1977 State Vacation Bible School Clinics will be held in three locations replacing the traditional single state-wide clinic normally held at Wingate College. Locations and dates for the 1977 clinics are as follows:

North Carolina Baptist Assembly-March 3-4
Caraway Conference Center-March 10-11
Ridgecrest Baptist Conference Center-March 17-18

Your Associational Vacation Bible School team will attend the conference at Caraway Conference Center.

The year 1977 is the year of ACTION for Sunday Schools across the Southern Baptist Convention. ACTION is the new Sunday School enrollment plan for Sunday Schools of any size. Churches are encouraged to attend a conference led by Dr. Andy Anderson, founder of the ACTION program to be held at Roxboro Baptist Church on October 31, 1976. As your Sunday School Director, I challenge you to enroll more for Bible study this year then ever before. Please call me at any time for help in your local Sunday School work.

Respectfully submitted,
Danny W. Collins, Director

## WOMAN'S MISSIONARY UNION

1975-1976 has been a good year for Woman's Missionary Union of Beulah. New interest has been created and new members have been added, especially in Baptist Young Women. We feel this new growth came because of our Conventions focus on

Baptist Young Women's Organization. Of course, we are in no way satisfied, because there is so much, much to be done and there are many many women and children who need to get involved and help with the work.

All of our officers were dedicated leaders, trying in every way to lead our people to truly be "Laborers together with God." We ask you to join us in praying that this may come to pass.

Our officers have planned and carried out many good activities. Some of these were Mission Studies, A Mission Fair, two Prayer Retreats, A Mission Fashion Show, A Day Camp, and an evening of "Food, Fun and Fellowship."

We regret that Mrs. Rutledge, Miss Cates, Mrs. Braswell and Mrs. Melton will not be officers in the new year. We thank them for their leadership and pray God's special blessings on them. We are grateful to the new officers who will be serving in their place.

Another year has passed and a new year is beginning. We solicit your support in our work through your prayers and participation. Let's really get involved in God's work.

Respectuflly submitted,
Myrtice B. Woody (Mrs. J.J.)
Director

## EVANGELISM

In our Bicentennial Year of 1976, evangelism has played a great part in the work of Baptists throughout our state and in our local association.

Our 30th State-Wide Evangelism Conference was held in the Asheville Civic Center, February 2-4, 1976. During these days we were privileged to hear great men of God, such as Dr. W. A. Criswell, Dr. Stephen Olford and others, deliver messages on "How to be Free in Christ."

Also this year, the Beulah Baptist Association sponsored a Prayer Crusade, March 1-3. The Crusade was held at the Westwood Baptist Church, and was led by Dr. Baxter Walker of Fayetteville, N.C. Dr. Walker did a magnificent job in helping all of us to see afresh the wonderful privilege of having a Heavenly Father to go to in prayer, and what great things can, and do, happen as we do so. I hope and pray that we will all continue to do the work of evangelism in our churches, as well as throughout our land and world.

Respectfully submitted,
Marvin Suitt

## MISSION: STATE* HOME* AND FOREIGN

Jesus said, "Go ye into all the world, and preach the gospel to every creature". Mark 16:15. This is what missions is all about-winning to the acceptance of Christ, and to the practice of the implications of that acceptance.

For administrative purposes we divide the Mission program of Southern Baptists into three major divisions: state, home, and foreign. There is no difference in the importance or in the urgency of the mission work, for "God so loved the world," and the mission field is the whole world.

State Missions seeks to evangelize our local state by working with the Associations and churches through its many divisions and ministries. Wherever people meet to prepare to meet needs State Missions is offering a hand.

Our Home Mission Board, with well over two thousand missionaries working throughout the United States, seeks to establish new missions and churches in the pioneer areas, assist wherever local forces are not strong enough to meet the needs, and to work with other agencies in preparation of materials and plans that will stimulate and encourage more effective Christian living and serving.

Our Foreign Mission Board, with about three thousand missionaries (including associates and journeyman), seeks to evangelize the rest of the world. This is done through various approaches, such as preaching, teaching, medical work, and various specialties; in fact, in any way that will meet the needs of the people and lead them to know Christ and serve Him.

Our Mission program is basically supported through our Cooperative Program. Special Offerings supplement this lifeline giving. Our Mission endeavor is a large undertaking,but it needs to be larger. This demands our concern, our prayers, and our resources.

Respectfully submitted,
L. H. Dawson

## BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. When completed, the Western North Carolina Home in Asheville, will accommodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit-Resthaven, the Hayes Home, the Nursing Care Unit, in Winston-Salem; The Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; the Yanceyville Home, in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gift of North Carolina Baptists make this Christian care and concern possible through two very vital sources-The Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year.

Close at hand is another venture in the development of the Homes which we're excited--the building of apartments on the site of the Hayes Home property in Winston-Salem. The first of these units is to be completed in the fall of 1977.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

Hassell Lamm

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need then strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy or breakdown or weakness, are deprived of the growing experiences so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is offered the child who needs immediate short-term care to provide time for a more permanent plan. Group care is offered the child who needs the multiple relationships which a group of his peers and a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed mother and her child. Preschool care and education are offered a select group of younger children in their communities. Varied planning and counselling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, 'Pembroke, Fayetteville, Raleigh, Burlington, Wallburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville--each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical psychological, recreational, and social service personnel in the communities to help persons grow to their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. The staff and children of the Baptist Children's Homes pledge ourselves to make the most of the opportunity your investment provides.

Clarence Bishop

## NORTH CAROLINA BAPTIST HOSPITAL

"Christian Stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,946.52 compared to a total of $390,000 for the preceding fiscal year.

## CHRISTIAN ACTION LEAGUE

This past year the North Carolina Christian Action League has been involved with the problem of hard core pornography, massage parlors and beer and wine sales. An anti-obscenity and pornography ordinance has been drafted by our attorney, Mr. Allen Bailey, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several North Carolina Cities and Counties and is under serious consideration in other places in the State. Since the ordinance covers only a City, Town, or County where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under the purview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your District and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a $130,000.00 brewery in Eden, N.C. The company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer and Eden". In line with this increased production, efforts are being made to open up more outlets for retail sales in the state which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget support from the churches across the state. You are urged to support the League in this way and with your prayers for God's guidance in the work we seek to do. It is God's work that we are doing. We work for Him as we speak for you.

Again we thank you for your cooperation and support and prayers.

Respectfully submitted,
Hassell Lamm

## ANNUITY BOARD

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related voations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be a great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December, 1975 provided 8,221 annuitants with an extra month's income to help them combat the rapidly rising cost of living. The combined amount of this extra benefit came to $773,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

The Annuity Boards helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

## BIBLICAL RECORDER

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jermiah also cried out, "Publish and conceal not.

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment--how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example. 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER CLUB.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptist to "stay with the state paper. Increase it circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia, who has done more than any other person to interpret the value of Baptist State papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state papers in the homes of the membership. These papers are the packhorses of every phase of denominational life. If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

## THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

In a tract that came across the Foundation desk during the past year was a note about the will of the famous financier J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicated by the opening statement of that legal document. It read, "I commit my soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father, I entreat my children to defend, at all hazard ... the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned his most valued "possession" was the priceless gift of salvation. Paul, in Corinthians 12:4, says "I seek not YOURS but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a means for raising moeny, but a plan for making the right kind of men.

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who had received financial assistance years ago from our Baptist Hospital, a $29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

## CHRISTIAN HIGHER EDUCATION

A careful reading of North Carolina Baptist history reveals that the Baptist State Convention was organized primarily for the purpose of establishing a Baptist College. When the Convention was formed in 1830, there were two church academies already in existence, as well as the University of North Carolina in Chapel Hill. However, Baptists wanted their own school. Wake Forest Institute was begun in 1834. Five years later the Institute became Wake Forest College. Thus, Baptists in this state have been closely identified with Christian higher education for 142 years.

Today, the Christian higher education system of Baptists embraces six other colleges in addition to Wake Forest: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith and Wingate. Since 1944, these schools have been guided in their development by the Council on Christian Higher Education of the Baptist State Convention. The Council is the only organization of its kind in the Southern Baptist Convevtion, an is one of the oldest educational cooperatives in America.

## COOPERATION BETWEEN COLLEGES AND CHURCHES

It is not enough that North Carolina Baptists have begun and now support six colleges and one university. As important as history and tradition are, they cannot substitute for warm, vital relationships in the present. The need for colleges and churches to give fresh attention to their partnership and their mutual dependence is always present. Listed below are some of the ways this partnership finds tangible expression year after year:

1. North Carolina Baptists continue to support their colleges through the Cooperative Program and the Baptist College Day offering on Father's Day.
2. The colleges continue to provide training for most of the pastors and other church staff persons who lead North Carolina Baptist churches.
3. Pastors have helped the colleges in their efforts to recruit Baptist young people by furnishing the names of high school students for contact by the colleges.
4. The colleges pledge to North Carolina Baptist youth that financial aid is available to assist them in attending a Baptist college. No qualified student is turned away for financial reasons. Grant's, loans, and work scholarships are available.
5. Churches, pastors' conferences and associations invite the colleges to send students and faculty to speak and lead programs.
6. Baptist colleges are anxious to receive invitations to serve the churches and associations. Each of the colleges is prepared to send speakers upon request.

Baptist colleges reaffirm their gratitude for the support given by Baptists through the Cooperative Program. We further reaffirm our faith in and our support of the local church, an the broad programs of our denomination.

## DIRECTOR OF MISSIONS REPORT

### "I WISH"

1. That each of us would let Christ reign supremely in our churches, association and in our lives.

2. That our people look on the association as an opportunity to be "workers together with God". That our associational program is simply our effort to carry out our Lord's Great Commission and be witnesses to the ends of the world, beginning at home; that it is a part of our world-wide missions program the same as Home and Foreign Missions. That we must be strong in our witness at home if we are to be effective in our efforts abroad.

3. That our people would realize that the association exists only to assist the churches to more effectively do what they are trying to do.

4. That every officer in the association, and the church would do their best in the performance of their duties, and that they would realize that their ministry is unto the Lord.

5. That every Committee Chairman in the Association would as soon as possible after election call the Committee members together to begin planning their work for the year.

6. That all our churches would examine again their programs to be sure they are world-wide in scope, and not little "kingdoms" of their own. Members owe certain obligations to their church; also, churches must assume some obligations to their members. When a member lays aside his tithe and brings it to the church he should know that it will be used to beat witness to the ends of the earth, and not be kept by the church to be used for altogether selfish purposes. Christians want their tithes and offerings to go toward carrying our their Lord's Great Commission to evangelize the whole world. it has been our observance that a church with a missionary heart never suffers for want of local support. God's Child wants to have a part with the teacher in the School in Argentina telling about Jesus, or the Medical Missionary operating in Japan.

# STEWARDSHIP

We have arrived at the close of another Associational year. During the year of 1976-77, our Lord has greatly blessed us, as an Association. You our Churches and Fellow-Christians have cooperated splendidly and for this we, your committee, express our gratitude.

We are sure that each of you can take pride in the way that you and your church have cooperated with your fellow-Christians in giving the stewardship support that has been needed for our Association and we are sure that you will want to keep up the good work in the future.

However, we must never forget that the task ahead is ever greater and more demanding than the past and, that it calls for the very best we have to offer. Therefore, we your committee challenges you to keep up the good work in the name of our Lord.

God bless you and may the coming year be the greatest you have ever experienced in the work of our Lord. May many souls be saved and Christians be strengthened in the work of the Lord.

Respectfully submitted,
Ernest L. Davis, Sr., Chairman

## MISSIONS COMMITTEE

The Christian Church is concerned about all people. Man's basic need is spiritual. With this in mind, a bold step was made this past summer as our Association engaged in a ministry to the Spanish speaking peoples—the migrants—who move into Person and Caswell counties each summer for employment. Alberto Saenz, a native of Chile and a student at Southeastern Seminary, served well as our migrant minister. A reception was given for him and his family at the Cavel Baptist Church, June 26, 1977, with about 80 in attendance. Miss Susan Ray gave the keynote address. Other guests present were Dr. and Mrs. Cecil Ray and Dr. Ernest Upchurch.

The primary responsibility of Alberto was to share Christ with these people through visitation, worship, Bible Study, etc. Also, he was to assist them as they had need for an interpreter with the hospitals, medical personnel and law enforcement personnel. And, according to his reports, these needs were many. In his visitation Alberto distributed Bibles (Spanish print), clothing, and health kits. The health kits were shared simply as a goodwill gesture and welcome to our various communities. They were prepared by the WMU organizations of our churches. We sincerely appreciate their help in this area!

Alberto writes: Only a few words of appreciation and gratitude for this wonderful opportunity I received to serve people and to serve our Lord . . . I have learned to appreciate and love more to the American people, . . . The Lord has been working among the migrants, among the American Community, in my own self . . . We have built bridges of friendship, fellowship, and love which will remain forever because we have been working together for our Lord.

These bridges of friendship, fellowship, and love have been started. We hope it will continue. For we do care!

Our sincere appreciation to our Moderator, Fred Braswell; our Director of Missions, Hassell Lamm; Tom Wagner, pastor of Somerset; and, Ben Gault, pastor of Clement, for their significant contributions to this ministry as members of the Migrant Ministry Committee. Also, valuable assistance was given by Ernest Upchurch, Director of City and Metropolitan Missions of our Baptist State Convention.

This project was approved by our Associational Executive Committee last spring. With no funds in the Associational budget for such a project, it was funded by the voluntary contributions of several churches in our Association. This ministry program was operated on a budget of $2300.00. Thanks to everyone who assisted in any way!

The Mission Committee scheduled three different meetings. We were never able to meet the first time—providential reasons I suppose. Hopefully, we will be able to meet this year.

The Mission Committee offers the following recommendation: That the Association approve the request for $1,500 from State Missions for our Associational Missions program next year.

Respectfully submitted,
Herman C. Absher

## WOMAN'S MISSIONARY UNION

Woman's Missionary Union has come to the end of another year. As usual, we are not completely satisfied with our year's work but we are grateful for the work that has been done to advance Christ's Kingdom.

The Beulah Associational WMU has worked during the past year with two emphases: TEACH MISSIONS and MINDING THE FUTURE. All the work and activities of the year have centered on these. We have had an Associational Prayer Retreat, Leadership Conference, Mission Studies, Fellowship hours and an Annual Meeting.

Misses Nancy Curtis and Suthell Walker from our State WMU office have spoken at two of our meetings.

Our women sent candy and gifts at Christmas, to the inmates at Women's Correctional Center in Raleigh. They graciously fixed personal kits for migrant workers in our Association this past summer. Some of our members, along with others, served as interpreters for the Bold State Missions Offering.

There is not way to list the many, many mission actions that have occurred during this past year, and we thank God for every opportunity that we have had to serve our Lord, Jesus Christ.

Your officers attended the Associational Leadership Conference at Ridgecrest to gain new knowledge, new ideas, and new ways to do better work.

We solicit your prayers and support in the coming year. We pray for you and ask you to give us the opportunity to help you in your work.

Prayerfully submitted,
Myrtice B. Woody (Mrs. J. J.)
Director

# AMERICAN BIBLE SOCIETY

The American Bible Society founded in 1816 has only one purpose, "to promote the distribution of Holy Scriptures without doctrinal note or comment and without profit." The Society is a member of the United Bible Society, a partnership of Bible Societies throughout the world cooperating to make Scriptures available to people everywhere in their own language at prices they can easily afford.

## GOOD NEWS IN THE CLASSROOM

In Indonesia the Bible Society explored the use of Scripture Literary Selections in the schools and found this to be a very effective avenue for distribution. In an experimental program in the town of Medan, on the island of Sumatra, in the Fall of 1975, one million Selections were distributed to students in religion classes. Teachers and students as a whole loved the Scriptures.

## THE BIBLE SAYS

So shall my Word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. Isaiah 55:11. Did you know that only 262 languages have the whole Bible, 401 the New Testament, 940 only a portion of the Scriptures, and there are some 3,000 distinct languages and dialects spoken in the world today!

## THE CHALLENGE YET AHEAD

The Challenge now is to get the work at translation completed in every language in which it has begun, to get the Literary Scriptures printed, and to get them into the hands of the world's eager new readers. In 1977 the Bible Societies hope to increase their distribution of Literary Scriptures for new readers to 55 million Selections and 9 million Portions worldwide. The Society is most grateful for its support and relationship with the Southern Baptist Convention, local churches and individuals. This is a responsibility which all Christians must recognize and to which all must respond generously.

John W. Hancock

# BAPTIST HOSPITAL

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialities of medicine. Persons with rare and complicated Medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from nearby schools of nursing and for 120 students in other allied schools. The school of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

Respectfully submitted,
Bill Holbrook

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Home, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the State, were present. It was a thrilling moment indeed when Trustees, Staff and Residents of the Homes, Pastors, and other Church Leaders latched on to ropes, attached to a hugh bulldozer, pulled together and helped to move the first dirt at the sight, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

Ruth H. Witty

## BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recreation. It's more than buildings and grounds. The care of children is missions . . . reaching out with a helping hand; it is evangelism . . . sharing the joy of life in Christ; it is love and affection . . . the giving of hugs and kisses and friendship; it is education . . . teaching an appreciation for the finer things in life; it is restoration . . . enabling families to function again.

CAMPUSES at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

FOSTER HOME CARE, state wide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

EMERGENCY SHELTERS at Forest City, Charlotte, Burlington and Henderson are meeting a critical need. They provide a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

THE MATERNITY HOME in Asheville, opened in 1970, has proved to be a much-needed and well-received service. More than three hundred girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

SOCIAL WORK AND FAMILY RESOURCE CENTERS enable us to work with families in providing services to children, family rehabilitation, family education and preventive services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

THE CHILD DEVELOPMENT CENTER on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school education, day care and kindergarten. We welcome opportunities to assist churches any place in the State who want to develop this type program.

Members of our staff are anxious to have you and members of your churches visit on any of our campuses. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

Respectfully submitted,
Hassell Lamm

## DIVISION ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life Council majored on two aspects in 1977—the family and legislative issues. W. Douglas Cole became director of the Christian Family Life Department January 1, 1977. Under his leadership, the Council sponsored marriage enrichment retreats, minister-wide retreats, parenting workshops, conference for engaged couples, sex-education conference and promoted the National Single Adult Conference At Ridgecrest. In addition, many tracts on the family were printed and distributed among North Carolina Baptists.

Since the General Assembly was in session during 1977, the Council was involved on a number of issues. Some of the issues were assigned to the Council by the Convention. Other issues were suggested by the twenty persons who comprise the Council. Some of the legislative concerns were pornography, liquor-by-the-drink, capital punishment, Equal Rights Amendment, Chaplains for prisons, etc.

The Council also sponsored a state-wide workshop on death and dying particularly as it related to euthanasia (easy death) or, as it is commonly called, "mercy killing."

Numerous calls from Baptists for help on social issues keep being received and responded to. The Council attempts to provide information on how to apply one's Christian faith to everyday life.

America suffers from a crisis in morality and integrity. Only as Christians live out their faith will a lost world be improved and changed. To that end the Christian Life Council is dedicated.

Respectfully submitted,
Hassell Lamm, Sr.

## EVANGELISM REPORT

The Pastor's Evangelism Planbook 1977-79: EVANGELIZING AND CONGREGATIONALIZING had already been sent to all churches. It includes various emphases on The Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week—June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders are planning to attend the 7th Statewide Youth Evangelism Night—August 19—at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who make decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Associations and churches are now involved in the Youth Evangelism Strategy which includes these four areas: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W.—Win Our World—has to do with specific witness training for youth in the local churches.

65 Associations have participated in one week Lay Evangelism Schools in recent years with over 14,400 youth and adults receiving lay witness training from 1,175 churches. More lay persons need to become involved in consistent witnessing to unsaved individuals.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Good reports on revival meetings and city-wide crusades have been received.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

Respectfully submitted,
Hassell Lamm

## SUNDAY SCHOOL

In June, 1933, a young man in North Carolina, received a telegram, congratulating him on his graduation from Wake Forest College, and offering him a position with the Baptist Sunday School Board. It all began when W. A. Washburn answered that telegram and started his life's work devoted to Southern Baptist.

This summer during our third Sunday School Week, A. V. Washburn, retired as "Mr. Sunday School" to Southern Baptist. In the 44 years that he served our Lord so well in this position, it was one of my many blessings to have known him, and to be inspired each time I was in his presence, during Sunday School Week at Ridgecrest. It is said that he can no more retire from the Lord's work generally, and Sunday School work specifically, than he can fly.

In the spring of this year I was asked by the chairman of the nominating committee, if I would be a nominee for the position of Sunday School Director of the Beulah Association. My answer was, to give me time to think, and pray, about this matter. I feel I received the answer, about a month later, and informed the chairman of my decision. With God's help, I will do my best to help our Association in any way the Lord leads. You will most likely hear me mention A. V. Washburn's name, many times, but only because he has challenged my Christian life, each time I have heard him speak.

On an Associational level, I hope each one of our people, will strive to follow the Green Light!, in the year that is ahead, 1977-1978.

The Green Light, will lead us to fruitful planning, watch for them.

1. Plan for a major emphasis on Senior Adults.
2. Plan to start new Adult Classes.
3. Plan for more effective Bible Teaching.
4. Plan to use the many resources available.
5. Plan to schedule important activities.
6. Plan to reach the people possibilities.

We are told that we have in America, 127 million Adults above the age of 19, that are not enrolled in Bible Study, and we have our share in our area. If this is true we should have as a major emphasis, "Think Adults", and "Adults Start-A-Class". I believe our work together in this direction, will lead us in letting people know that we believe a study of the Scriptures can reveal to us the ways of Christian growth.

Reverend Danny Collins, who was Sunday School Director, of our Association for the year, 1976-1977, was called to Pastor the Fairlawn Baptist Church in Radford, Virginia, in February of this year.

Respectfully submitted,
Jack C. Cozart
Sunday School Director

## CHRISTIAN HIGHER EDUCATION

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist Colleges.

The recruitment of more Baptist Young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist Colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

## BIBLICAL RECORDER

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in N. C. receive the BIBLICAL RECORDER weekly. Already more than 1100 churches in our state are providing through their budgets for the Recorder to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U. S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

Respectfully submitted,
J. Marse Grant, Editor

## ANNUITY BOARD

In 1976, the Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid $17,138,343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than $158 million in retirement and protection benefits.

A 13th check amounting to one month's income was mailed for the eleventh time to annuitants. The combined amount of this extra benefit came to $830,525.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling $472,218,669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 North Akard Building, Dallas, TX 75201.

## CHRISTIAN ACTION LEAGUE

The N. C. Christian Action League has been engaged in a two pronged attack on the moral from during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

In the legislature program of the League a questionnaire was sent to each candidate for the State Senate and the House of Representatives asking for views on the question of the dissemination of hard-core pornographic materials. Another question went so far as to suggest a state-wide vote on the matter of regulating and controlling distribution of pornographic materials.

Senate Bill No. 539 was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in North Carolina. The bill was amended many times, but the strength of the statue remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the elections of Senators and Representatives last year. An all out campaign was conducted to ascertain the views of candidates on the question of more liberal laws in relation to the sale of alcoholic beverages. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against the encroachment of any new legislation that would merchandize whiskey like apples and oranges, and not such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced in May. This bill would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging". In other words, a restaurant which qualified could have had both types of permits. This would have given North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornograph bill, this measure passed the Senate by a 24 to 23 vote. The proponents to the bill, realizing that is was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee, where is will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and we don't believe you have changed your minds. You are urged to contact your Representatives and either encourage him in opposition to the bill or request his support for the defeat of Senate Bill No. 735.

Respectfully submitted,
D. P. McFarland, Exe. Dir.

## RESOLUTION CONCERNING THE CHRISTIAN ACTION LEAGUE

Whereas, The Christian Action League, is actively engaged in combating the sale and consumption of Alcoholic beverages; and

Whereas, the forces that promote the distribution of alcohol are never at rest but constantly push for relaxation of regulations and for more distribution and more consumption of alcohol; and

Whereas, alcohol is harmful both to the physical and the spiritual life of our people and contributes substantially to death and destruction both by accidents and acts of violence; and

Whereas, the matter of Liquor-by-the-drink passed the Senate and the adjournment resolution left the door open for it to be considered in the May 31, 1978 special session—

Be it resolved, that the Beulah Baptist Association, consisting of cooperating churches from Person, Orange and Caswell Counties, go on record encouraging vigilance on the part of our leaders; give encouragement to State Legislators and Senators who support our position; urge the inclusion of the Christian Action League's in the budgets of the local churches; and voice our opposition to liquor-by-the-drink legislation by petition to, verbal contact and individual correspondence with members of the General Assembly.

Respectfully submitted,

## TRUSTEE REPORT

The Trustees of Beulah Baptist Association met Thursday, September 26, 1978 to discuss the needs of insurance coverage on the Association's parsonage.

We found that we have $60,000.00 on the parsonage itself, and $1,000.00 on the office furniture and equipment.

We recommend that the coverage on the parsonage be increased to $80,000.00 and the coverage on the office furniture and equipment be increased to $1,200.00.

We further recommend that we get an inventory of what the association has in the way of furniture and equipment.

We have a policy with Quincy Mutual Fire Insurance Company for $5,000.00 coverage on Mr. Lamm's personal belongings, on which the premiums have been paid up until September 1979.

We recommend that the Association not be responsible for the payment of the premium on this policy after the above date. (The report was amended by Rev. Bill Thomas that the association pay the premium as heretofore on the Personal belongings of Hassell Lamm. It was seconded and passed.)*

Respectfully submitted,

James Morris, Chairman
Edward Young
Mack Ferrell
Marshall Duncan
Huel Gentry, Secretary

*The Executive Committee meeting at Beulah Baptist Church on September 17, 1973 voted to insure the contents of the parsonage for fire for $3,000.00.

## STEWARDSHIP COMMITTEE

We appreciate the financial support given to the Beaulah Baptist Association during the past year by its churches. 'To God Be the Glory' for increases which we have experienced. There are many mission opportunities waiting for us to enter. These can be met through you and me. If we are going to carry out the Great Commission and Bold Mission emphasis - we must commit ourselves unto God. This will lead us to become more active in our local churches, our association and Baptist State Convention. We will need to lead our churches to commit themselves to support themselves, the association and Southern Baptist causes.

The association is also the 'nearest to the people' level of Baptist mission support. Associations are in a position to see mission needs in their communities. Associations are able to bring together churches for fellowship, doctrinal discussions, and mission support. They are vital to Bold Missions.

'Associational Bold Missions requires more money - twice as much money by 1982. Mission challenges across our state go unmet because of a lack of funds in the associations. The role of the association is a growing challenge among Southern Baptists and one deserving of greater financial support.' (Taken from the Mission Support Commission's Report)

Dr. Cecil Ray recently stated, 'the best way to communicate to local churches is with the co-operation and enthusiasm of the association. This is necessary for BOLD MISSIONS.

Your Stewardship Committee (composed of Carroll Spivey - chairman, Thomas Crabtree, Walter Hamlett, Nat Whitfield and Bill Thomas) realizes stewardship involves more than monies are presenting some recommendations for your consideration and we trust your approval and support!

We are recommending that . . .
(1) Each church and church member give some of their time and service through the Association in order that we might better minister to people in our counties.
(2) A BOLD MISSION THRUST COMMITTEE be elected to
  (a) Seek people out to become involved in Associational ministries;
  (b) Interpret to the churches the immediate and long range plans for mission action in our association;
  (c) Keep the association and churches aware and informed of Bold Mission emphasis.
(This committee should consist of 3 lay people representing both counties and 2 pastors - one from each county. The Director of Associational Missions and Moderator should serve as ex-office members).

(3) The Mission Committee and Associational Council make immediate and long range plans to meet the needs of the people of these counties.

The STEWARDSHIP COMMITTEE realizes that the above recommendations must have financial support are recommending that . . .
(1) Each church give at least 3% OF ITS TOTAL OFFERINGS TO FINANCE THE Associational Mission Program.
(2) Within the next 5 years we double our associational budget.
(3) These monies be used primarily for Mission purposes and pressing Associational needs.
(4) Our goal for each church to give at least 4% of its offerings through Associational Missions by 1982.

Some will say this is almost impossible. It is not if each will do his or her part. Our present recommendation 'that we give at least 3% of our total offerings this coming year to associational missions' is attainable. During 1977, the churches averaged giving 1¾% of their offerings through the Associational Program. We realize some churches gave more than the average and others did not reach the average. Therefore we are requesting an average increase in your church budget of 1¼% over the 1977 gifts. If each church would do this - we would start many new ministries and outreach programs in our association and have a solid homebase for Mission Support and Work throughout the world! WILL YOU AND YOUR CHURCH DO YOUR PART IN SUPPORTING THIS RECOMMENDATION???

Respectfully submitted,
Carroll Spivey, Chairman
Thomas Crabtree
Walter Hamlett
Bill Thomas
Nat Whitfield

## SUNDAY SCHOOL

### LET THE SUNDAY SCHOOL REACH OUT BOLD MISSION ACTS 1:8

It has been a joyful experience this past year serving our Lord and the Beulah Baptist Association as Sunday School Director, and as we try to set some goals for the year 1978-79, I am more convinced our Association has a great obligation to each church and Sunday School worker helping each do a better job of reaching, teaching, and witnessing to win more people to Christ.

In the year 77-78 we tried to search out the greatest need for the most of our Sunday School workers and then we tried to plan and conduct the type of meeting that would reach the greatest number of people. We hope we have been helpful.

The number one goal for the new year beginning Oct. 1 will be to continue to try to learn more of our needs, and to seek God's will to be done as we plan to meet these needs. We will be constantly working to reach each church and Sunday School worker in our Association.

'The Bold Mission Thrust' campaign is asking that we increase our enrollment and attendance by 25%. This is a goal that can be reached and many of our Sunday Schools have already begun to work on this. October 29th is high attendance day, and we hope every church in our Association will take advantage of the five Sundays that will help us as we try to set an all time high.

In closing this report let me say one of the Basic Sources of excitement is setting goals and then being able to reach them.

Sincerely submitted,
Jack Cozart
Sunday School Director

## CHURCH TRAINING

Church Training is an integral part of the Bold Mission Thrust of the Beulah Association. It is called upon to train the present and future teachers and leaders of our churches. The Church Training Program is not in competition with other programs that are carried on in a church but enhance them.

Theoretically, the Church Training program deals with four areas of study. They are Christian Doctrine, Christian Ethics, Christian History and Church Policy and Organization. However, many other training areas are taught, depending on the individual church. Often, the four basic areas of study are neglected. If any of the areas are neglected the church suffers. It suffers by not having trained teachers and leaders.

There are only eleven churches in our association that reported any Church Training programs last year. That means that twenty-two of our churches are not training their people to be well informed teachers and leaders.

During our Associational Key Leadership Conference in Roxboro and Yanceyville in August, there were twelve churches represented. Three of these churches did not have Church Training programs but there was hope that they soon would begin them. I am thankful for the renewed interest in the Church Training program.

During my participation in the state wide Key Leadership Conference at Ridgecrest in May, I was asked to set three goals for the Beulah Association Church Training Program. I proposed the following goals:

1. Start five Church Training units. Each unit being a new program in a church that does not have an on-going program.

2. Start an Associational Church Training Council. This Council would be made up of the Associational Director and age group leaders.
3. Have Bible Drills Speakers Tournament. A tournament for youth who would compete on local, regional, and state wide levels.

I ask each church to set goals for your Church Training program this year. Aim high and the Lord will bless you for it. With your help this will be the best Church Training year ever.

Respectfully submitted,
Roderick Lawson, Director

## WOMAN'S MISSIONARY UNION

In 1977-78 WMU completed the second year of a three year emphasis on teaching missions. This year's emphasis was - Teach Missions: to be, to do - built on the foundation of knowledge and growth. With this emphasis we have tried to change attitudes, widen horizons, and bring about a willingness to do something about the needs of people.

In preparation for the year your associational officers attended the Associational Leadership Conference at Ridgecrest to gain knowledge and ideas in helping us to step out in great Boldness for Christ.

During the year we have had a Leadership Conference, Mission Studies, Fellowship Hours, Prayer Retreat, Annual Meeting, GA Mother-Daughter Banquet and an Acteen Mission Study.

We are grateful to the churches who invited us in for these special meetings. Your hospitality was great and we thank you very much.

Again this year, Christmas gifts were sent to the women in the Women's Correctional Center in Raleigh. Again you responded in a very generous manner.

WMU led in the collection of a love offering for Mrs. Arton in order for her to visit her daughter, Glenda in Argentina. We remember Glenda and her husband, Ronnie Reynolds, who are missionaries to Argentina, South America.

We thank God that several new organizations have been started this year but it saddens us to know that some of our churches have no WMU organizations. I beg you to be Bold in your praying that the Lord will lead us in adding Mission organizations in these churches.

We are grateful for all the good work done this year and I challenge every member of WMU to be extremely active in Bold Teaching Bold Commitment and Bold Witnessing.

Prayerfully submitted,
Myrtice B. Woody (Mrs. J.J.)
Director

## MUSIC REPORT

The past year has been one of searching for the answer to the questions: Can the Beulah Association help the music ministries in its local churches? If so, how can we organize to accomplish this objective?

In order to answer these questions, the association music director compiled a survey which was sent to each choir director in the association. Included in the survey was a variety of activities, projects and studies for consideration. The results of this survey will be a valuable asset as our Association Music Program is planned.

The Bold Mission Conference held by the association provided another opportunity for music directors to discuss needs in our local churches and ways to meet those needs. At this meeting the following associational music projects were announced.

1. ASSOCIATION MUSIC REFERENCE LIBRARY - Single reference copies of various new music will be kept on display in the association music director's office to be made available to choir directors in their search for new music.

2. ENCORE! ENCORE! - Church choirs will be encouraged to share their musical programs with other churches. Interested churches should contact the association music director.

3. ASSOCIATION STUDY COURSE - On October 2nd at 7:00 p.m. all interested persons are invited to participate in a review of the study course, 'What to Do in Case of a Choir Rehearsal'. This will be held at the Roxboro Baptist Church.

An additional project which is currently being considered is an Association Music Festival to be held in March, 1979.

The prayers of the entire association are needed as we attempt to make the music in our churches more capable of ministering to people.

Respectfully submitted,
Eddie Oakley, Director

## DIVISION ON CHRISTIAN LIFE AND PUBLIC AFFAIRS

In 1978, the Christian Life Council dealt with matters related to family life, race relations, Christian citizenship, economics and daily work, and other special moral concerns as they related to the life and witness of the church in society. The council sought, throughout the year, to make Christians aware of the critical moral and social issues and to lead in Christian action to meet these needs. This was done, in part, by the printed page and in part, by seminars, conferences, and personal involvement.

The five major areas in which the Christian Life and Public Affairs Committee worked were (1) family life, (2) race relations, (3) Christian citizenship, (4) economics and daily work, and (5) special moral concerns. The separation of church and state were a concern as Baptist continue to champion religious liberty.

The council is under the leadership of W. Douglas Cole who met with representatives of every N.C. Association for a three day training session May 15-17 at Ridgecrest. Our Association was represented by Rev. L. Edgar Whitlock.

The council was actively involved in opposition to the liquor-by-the-drink legislation which passed the special session of the legislature this year. Issues dealt with are generally issues assigned to the council by the convention or issues introduced by some member of the twenty member council.

The continuing moral crisis in our communities calls for a renewed determination to help counteract these destructive influences. Your support is needed as the council dedicates itself to improve our state.

Respectfully submitted,
L. Edgar Whitlock, Chairman

## EXECUTIVE COMMITTEE

The Executive Committee met at the Roxboro Baptist Church on January 16. Reports from officers and committees were heard. No action was taken by the committee.

The Executive Committee met at the Beulah Baptist Church on May 22. Reports from the officers and committees were given and approved. Dr. Donald McKinney gave the Nominating Committee's report. The Committee made the following recommendations:

Sunday School Director - Mr. Jack Cozart
Church Training Director - Rev. Roderick Lawson
Evangelism Chairman - Rev. Donald Cooper
Music Director - Rev. Eddie Oakley

That Rev. Bill Thomas fill the vacancy created by the leaving of Rev. Ernest Davis on the Stewardship Committee; that Rev. Spivey be moved to Chairman of the Stewardship Committee; that Rev. Edgar Whitlock replace Rev. Billy Lynch on the Nominating Committee. The report of the Nominating Committee was approved. A motion was made that a letter be sent to Mrs. Alfred Staley expressing our love and concern and assuring her of our prayerful support for her during this difficult period of adjustment.

The Executive Committee met at the Roxboro Baptist Church on September 18. Reports from the officers and committees were heard and approved. The Stewardship Committee presented the budget and some recommendations which were approved.

Respectfully submitted,
Rev. Hassell Lamm, Clerk

## AMERICAN BIBLE SOCIETY

My heart has been thrilled as I have read letters saying how individual lives have been changed by reading the Word of God. We speak for the thousands, yes, even millions of people throughout the world who have read the Word of God for the very first time. Let me share with you just a few of the things which all of you that have helped have made possible.

## GOOD NEWS FOR NEW READERS

There have been many achievements in this global program that teaches people about our Lord and Savior as it helps them to read, among them -

1. Translation of one or more levels of Scripture Literacy, Selections in 280 languages.
2. Distribution of one or more levels of Scripture Literacy, Selections in 136 languages.
3. Publication of Scripture Literacy selections in Argentina, in Mocovi, and in Pilagi, the first Scripture materials ever produced in these languages.
4. 30,000 New Readers Selections in the first edition in Amharic were distributed in Ethiopia in two months.
5. Scripture Literacy Selections were 'the biggest single item' of Scripture distribution in Tanzania.

## COMMON LANGUAGE SCRIPTURE

These are helping bring God's message in simple everyday speech to millions of people for the first time.

1. Todays Chinese Version New Testament was published and was widely distributed in many parts of the world.
2. The Good News Bible was published for the more than 600,000,000 English Speaking people around the world.
3. The manuscript for Todays Arabic New Testament, miraculously saved from destruction on a tiny boat traveling off the coast of war-torn Lebanon was completed and will be published shortly.

For all these accomplishments, we thank God and we thank all of you for your interest and support in the Bible cause. However, this is no time to relax. 1978 calls for even greater efforts on the part of all of us.

1. In Nigeria, New Testaments in eight languages and Bibles in two languages are coming off the presses.
2. Good News for New Readers Scripture Literacy Selections are in great need in Asia. The Churches in Asia expect to be using 80 million Selections annually by 1980.

As you can see, opportunities abound, needs are great, and the spiritually hungry must be fed. It is my belief that God wants us to act boldly and vigorously in making His Word available to everyone in a language they can read and at a price they can afford. Your help is needed to make this possible.

We, who are fortunate enough to be comforted daily by His Word, are most responsible for sharing that rich blessing with others so that they too may feast upon the Word of Life and find solace in Our Lord.

I suggest that you pray about what God would have you and your church do to enlarge your participation in the Bible cause.

Respectfully submitted,
John W. Hancock

## ANNUITY

The Annuity Board of the Southern Baptist Convention offers the employees of Southern Baptist Churches an excellent program of insurance protection. Along with a retirement program, a basic and major medical health plan is offered as well as life and disability.

The Annuity Board has made some significant changes in its basic retirement program. The Annuity Board's primary vehicle for building retirement benefits is a money purchase plan. There are two basic investment funds from which to choose. In the Fixed Fund, the philosophy is to invest the assets to achieve an optimum yield. The interest rate will be identified at the end of each year for the following year. The principal is guaranteed. In the Balanced Fund, the philosophy is to 'balance' the assets among types of investments such as common stocks, bonds, leases, and mortgage loans. The ratio may change as economic conditions warrant. Crediting to a participant's account depends on the fund's actual net earnings.

Another investment option, the Variable Fund, is offered. This fund's assets are invested primarily in common stocks. Deposits received during the month buy units similar to shares in mutual funds.

It is recommended that each church contribute 10% of the pastor's compensation towards his retirement through the annuity program. For further information write the Annuity Board, SBC, 511 N. Akard Building, Dallas, Texas - 75201 or call toll free 1-800-527-4767.

Respectfully submitted,
Don McKinney

## BAPTIST HOSPITAL

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

## BAPTIST CHILDREN'S HOMES

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the piedmont area, Mills Home, foster home services, emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home Campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the State.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at thanksgiving time. As a part of the Bold Missions thrust, The Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Respectfully submitted,
G.H. Vaughn

## CHRISTIAN HIGHER EDUCATION

Baptist of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian Higher Education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff numbers 1,441, during the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christian affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that 'The heavens declare the glory of God.' The historian's pen and the biologist's microscope are welcome allies to those whose quest is 'That at the name of Jesus, every knee, should bow, of things in heaven, and things in earth, and things under the earth.'

Churches are urged to encourage their youth to attend a Baptist College. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptist a vital and successful ministry.

Respectfully submitted,
Bobby Buchanan

## BIBLICAL RECORDER

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the RECORDER pay? Recently the RECORDER published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty-nine of the 50 had a good RECORDER club, many of them sending the RECORDER to every resident family. The BIBLICAL RECORDER had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the RECORDER through the church budget at a cost of only 6¢ a week. Everyone benefits when the RECORDER goes into every home.

The price of the RECORDER remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the RECORDER in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor by the drink. This is only one reason for every church to have a good RECORDER club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by the people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

J. Marse Grant

## EVANGELISM

A significant goal in Bold Mission is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - Bold Evangelism Through the Local Church - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

'The Evangelistic Church on Bold Missions' was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors, and adult leaders were expected for the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Chruches are encouraged to become more involved in Renewal Evangelism. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism. Excellent reports on revival meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth and evangelism emphasis.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

Bill Lamb

## BAPTIST HOMES FOR THE AGING

The Baptist Homes for the Aging of North Carolina were founded by the Baptist State Convention, and began operating in March of 1951, under the able leadership of Rev. James M. Hayes, Sr., as General Superintendant. During Mr. Hayes' administration three homes and a central nursing facility were established.

Rev. William A. Poole, Executive Director, succeeded Mr. Hayes in July of 1960 in the administration, the number of the Homes for the Aging has doubled, and the Nursing Care Unit has been expanded, and a very functional apartment complex has been completed. The six Homes for the Aging and the apartment complex have accomodations for 221 persons and the Nursing unit caring for 79 patients. Across the State 300 persons are receiving loving care and security.

There are many ways in which interested people and/or groups can assist in this ministry. (1) Supporting through their local church through Church's plan of giving; (2) Undergird this ministry in their prayers; (3) Make a Christian will in behalf of the Homes; (4) Give personal and memorial gifts; (5) Bring Spiritual programs into the Homes, as well as, social entertainment; (6) Invite residents into homes for teas, meals, and fellowhip, and for other outings; (7) Invite residents to their church and help provide transportation to and from church; (8) Do volunteer work in the Nursing Care Unit, in the transportation of patients to worship services and other activities, write letters, read mail, and visit.

More for the future! Plans for the future call for: Resident and Nursing Care addition at Hayes Home and the renovation of Hayes Home for 51 more residents and patients at a projected project cost of $2,000,000. Additional apartments for 20 or more persons at the Hayes Homes in Winston-Salem. Administration Building in Winston-Salem. You are always welcome to visit any of the Baptist Homes for the Aging across North Carolina.

Respectfully submitted,
Bill Thomas

## MISSIONS COMMITTEE

During the summer of 1977, our Association engaged in a ministry to the Spanish speaking peoples (migrants) who moved into Person and Caswell counties for employment. In reporting on this ministry, this statement was made: '. . . bridges of friendship, fellowship, and love have been started. We hope it will continue. For we do care!'

A sincere effort was put forth to continue such a ministry for the summer of 1978. But failing to receive the necessary funds, we were unable to do so. Your missions committee then encouraged churches to seek for and implement ways of ministering to the migrants in their respective areas. Hopefully, some did!

The Missions Committee then turned their attention to gaining an overall perspective of the associations's mission needs. As the associational year drew to a close, we were endeavoring to develop a survey plan that would enable us to know the priority needs and what goals should be set.

We've entered an era of 'Bold Missions' ministry. Jesus said that 'as the Father hath sent me, so send I you.' His mission was to glorify God. That is our missions, too. And we fulfill that mission as we bring men to Him through Jesus Christ. May all of our churhces be on mission as we engage in missions (channels of ministry) with people!

The Missions Committee encourages every church to elect a Missions Committee. This committee will, indeed, help keep your church's mind on Missions.

The Missions Committee offers the following recommendation: that the Association approve the request for $1,500.00 from the State Missions for our Associational Missions program next year.

Respectfully submitted,
Herman C. Absher, Chairman

## ASSOCIATIONAL MISSIONS

### I. IMPORTANCE OF BEING INFORMED ABOUT ASSOCIATIONAL WORK.

1. To have the right ATTITUDE toward Associational Missions.
   (1) The informed person has a positive attitude; uninformed people usually have a negative attitude.
   (2) Lack of knowledge sometimes causes one to be suspicious - lacking confidence and faith.
   (3) One cannot be for that which he does not know about.
   (4) A person is usually 'down on' that which he is not 'up on.'

2. An informed person should set a good example:
   (1) To fail to support a good cause is bad; but to lead others by our example not to support a good cause is worse.
   (2) Our example is either positive or negative, never neutral.
   (3) We are responsible for not just what we do, but also for the influence of our example.
   (4) The greatest example for the good is Christ, the example for the most evil is Satan - Each of us stand somewhere between these two. Where do you take your stand?

### II. WHY PROJECT AND SUPPORT ASSOCIATIONAL MISSIONS?

1. Great Commissions: Matt: 28: 19-20 - Every church is to do three things:
   (1) To preach to all the people in the community, the association, state, nation, and world with the idea of making disciples.
   (2) The church is to baptize by immersion every convert in all the world.
   (3) Then, it is to teach every member to do EVERYTHING Jesus has said in the Bible, and assist in the development of Christian Character.

2. We Baptist believe in teaching and working toward these objectives in our churches:

(1) In our association
(2) In our State
(3) In our Nation and in the World

## III. NEED OF ASSOCIATIONAL MISSIONS

1. There is need of new churches in every association sometime or another.
   (1) Population increase
   (2) Population shifts
   (3) Associational missions has and will help establish new churches.

2. Every worker in the association needs additional training.
   (1) Many of our churches are able to give this training.
   (2) Many of these churches will not give it unless helped and challenged to.
   (3) In the association the Well-trained and able workers can help train the less able workers.

3. There are many other needs of an associational Missions Program such as-
   (1) Fellowship - a larger fellowship than the local church.
   (2) Need for communication - between church and church - between church and association - between church and convention - etc.
   (3) United front to the world - no one church can reach the entire world and combat the forces of evil alone.
   (4) Need to pool our resources together to provide for the common needs of all our churches - literature - institutions - missionaries - doctors - hospitals - etc.

Let each of us commit and dedicate ourselves anew to our Lord, and we will do great and 'Bold' things for our Lord.

Respectfully submitted,
Hassell Lamm, Director of
Associational Missions

## MISSIONS COMMITTEE

Our committee has shared the need and prayed for the reaffirmation of Acts 1:8, "but you shall receive power when the Holy Spirit has come upon you; and you shall be My witness both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth." (American Standard Version) The part of the verse important to us is, "...and you shall be My witness both in Jerusalem..." This verse has been called the "Apostolic Commission" which gives re-emphasis on the Great Commission. Yet we have sensed a glamor for the "remotest part of the earth", but when it has come to the everyday hard work of missions in our association, the glamor has worn off quickly. Therefore, out of this concern and reaffirmation came the basis for our work.

Our first order of business was to try to establish a core group to be responsible for the services at the Person County Prison Unit. We set into motion researching the needs of both Person and Yanceyville prison units and held the first of three workshops on prison ministry. Forty people representing eleven churches attended the March 12 meeting with representatives from both prison units. The second meeting was geared toward meeting the needs of a core group for the Person unit at which a prison official and inmate met with the committee and only three other persons. The third meeting on April 19 was held at the prison unit in Roxboro with a tour through the camp, again only three individuals came. We still are in need for three to five persons, men and women, to form a core group. As a result of needs expressed, the committee will be looking into the feasibility of a prison chaplain for the three prison units in our association.

While conducting the prison ministry workshops we were simultaneously planning a church missions committee workshop which was held on March 15 with twenty-two individuals presenting eleven churches. In the January Executive Committee Meeting, we received the support to encourage our churches to form missions committees within each church; but if the church felt it could not be done, we asked for at least one contact person. After requests and appeals, today we only have fourteen churches responding with the names and address of these individuals. The importance of keeping awareness of needs in and around our communities and association is paramount, and the aid of better communications between churches and the committee is necessary. If your church has not elected at least a contact person, please, do so and forward the information to the missions committee. What we really desire would be to see each church have a missions committee.

In May, along with others, I attended the Key Leadership Conference at Ridgecrest. During our associational leadership conferences we are sorry to report we only had one person present for the conference on social ministries which relates to missions. There has been a growing awareness throughout the year of the need for educating our association on missions in our own backyard. Therefore, these past months have been spent on researching needs in both counties and making a presentation of those needs to the association during this annual meeting. We have formulated a booklet on the needs for each messenger and a manual for each church to use in its missions committee.

We are now engaged in promoting "Day of Prayer" for associational missions on October 28, encouraging each church to allow you, the messenger, to share mission concerns with the church and have a time of prayer for associational missions during the morning worship service. In the coming year the committee will be conducting a self-study of the association and file a report and proposals to the Executive Committee meeting in May.

In recent weeks the committee received a formal request for membership into Beulah Association by the Timberlake Baptist Church. After having further communication with the church, we recommended to the Executive Committee during the September meeting to present this request to the Annual Meeting with regard to the constitutional requirements. The motion was passed.

As a committee we have worked hard, meeting once per month, and often times more than this, to plan, research, pray, and work together on the mission needs of our association. We still have dreams, ideas, and visions which help to reaffirm our commitment to Acts 1:8. It is hoped that together through the leadership of the Holy Spirit, we will dream dreams, have visions, and work to accomplish together the Will of our Lord for Beulah Association.

Respectfully submitted,
Bill Holbrook, Chairman

## WOMAN'S MISSIONARY UNION

1978-1979 has been a good year for Woman's Missionary Union in Beulah Association. We have completed the final year of a three year emphasis on Teach Missions. The first year emphasis was Teach Missions: "to know, to grow." This emphasis laid the foundation for what WMU does in mission study. The second year emphasis Teach Missions: "to be, to do" built the foundation of knowledge and growth. This past year the emphasis Teach Missions: "to live, to give." This emphasis has put our faith into action and helped us identify means of giving support to missions. The combined emphases have helped us more clearly understand our responsibilities in actively participating in missions.

A Leadership Conference was held at Westwood Church in September. At this time, the associational officers shared with church leaders the new knowledge and ideas gained at the Associational Leadership Conference which they attended in August.

The Foreign Mission Study, "Brazilian Obsession" was taught on different nights, at Yanceyville Church, Mill Creek Church and Somerset Church in order that no one would have to travel a long distance. These studies were capably taught by Mrs. Crowe, Mrs. Robert Lane and Mrs. Lamm and were well attended.

In March, Mrs. Tom Humphries held a well planned and well attended meeting by Girls in Action leaders. Acteens had a Fellowship-Mission Study in February led by Mrs. Fred Braswell.

We thank God for the following new organizations that were started this year:

Berry's Grove - Acteen
Bethel Hill - Mission Friends
Front Street - Girls in Action
Lea Bethel - Baptist Young Women
Old Lea Bethel - Baptist Women
Rock Grove - Baptist Women

Providence Church (P) was hostess for a very spiritual and informative Annual Meeting.

We were fortunate in having the opportunity of hearing some outstanding servants of God--Dr. and Mrs. Winston Pearce, Miss Bertha Smith, a retired missionary and Dr. Charles Tabor, a medical missionary.

Please join me in thanking the officers for the leadership they have given in Beulah.

Mrs. Milton Crowe
Mrs. Hassell Lamm
Miss Lindy Shotwell
Mrs. Bill Hollbrook
Mrs. Fred Braswell
Mrs. Tom Humphries
Mrs. Thomas Gunter
Mrs. Inez Rogers

May God help us all to be active in His kingdom's work.

Prayerfully submitted,
Myrtice B. Woody (Mrs. J.J.)
Director

## BROTHERHOOD

The brotherhood organization is vitally involved in reaching the bold mission objectives of our convention. The brotherhood is a mission education and a mission action organization. It seeks to educate and inform our men and boys about missions. The brotherhood leads in encouraging financial and prayer support for our missionaries. Also, the brotherhood is concerned with involving men and boys in mission work on the local level.

Respectfully submitted,
Don McKinney

## SUNDAY SCHOOL

The Sunday School has proven itself to be a great teaching, evangelistic, enlistment and financial agency of the church. The Associational Sunday School organization exist to help the local church with its task of providing effective Bible teaching and outreach. As the Sunday School grows so grows the church. We challenge our Sunday Schools to grow in three areas of service this coming year:

1. To enlist more people in Bible Study.
2. To have more effective teaching.

3. To win, develop and enlist more people in service for the Lord.

During the past year the Associational Sunday School organization provided the following opportunities for learning and training for the Churches in the Association:

1. A day session and a night session was conducted for Vacation Bible School Workers on May 1st. at the Westwood Baptist Church.
2. A conference was conducted for Sunday School Directors and Pastors in both the Key Leadership Conferences at Roxboro and the First Baptist Church of Yanceyville.
3. A Pastor-Director Workshop was conducted at the Roxboro Baptist Church on September 6. This workshop was led by Robert Stewart, State Sunday School Director.

For the coming year we have planned to do the following things:

1. Have two Teacher Improvement Workshops in March for all ages. One workshop in Person and the other in Caswell County.
2. A Pastor-Director Workshop will be conducted in September.
3. Help individual churches with their particular problem or needs upon their request.

Respectfully submitted,
Jack Cozart

## CHURCH TRAINING

A new concept for Church Training has begun this year in the Southern Baptist Convention. This new concept is called "Equipping Centers." The Equipping Center is a short term learning experience that is attempting to reach those people who are not enrolled in the on-going or dated curriculum study program of Church Training.

These centers are modules or courses of study dealing with six subject areas of Christian life. The six areas are: Christian Doctrine, Christian Growth, Church and Community, Evangelism and Missions, Family Life and Leadership.

The ideal for the Equipping Center is for it to be a tool for getting those not enlisted in Church Training to come for a short term study. Hopefully, these people will move into the on-going program after the course of study is complete. Those who are already enlisted and participating in Church Training will be discouraged from being a part of these classes. However, some centers will be used as a learning aid for our church teachers.

The centers are undated and reusable. Each center should be kept in the Media Center for future use.

Each module has two or more ways to be studied. They are designed to be used individually, one to one, small group, seminar or a combination. Each module will be marked as to the best way the module is to be studied.

We must keep in mind that behind the Equipping Center concept is the attempt to make each Baptist the most well informed and best trained Christian to meet the continuing challenge of Bold Missions. Bold Missions will never work if only a few Christian Baptists are involved. All of us must support Bold Missions by our actions, our prayers, and our money.

We are commanded to go into all the world, making disciples and teaching. Church Training is learning how to do this. Won't you get involved?

Respectfully submitted,
Roderick N. Lawson

## EVANGELISM

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade scheduled for 1982. It is expected that the effort will include Simultaneous Revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C.W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook--BOLD EVANGELISM THROUGH THE LOCAL CHURCH--with the emphasis related to on-going programs of evangelism in the local church. Other associations need to plan a Bold Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important siminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELLset and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on Lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, using the **Revival Planbook for the Local Church, Counseling Guide,** and the **Follow-up Manual for New Christians.** The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

## BAPTIST HOSPITAL

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chief beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counselling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patients benefit in that the hospital's room rate increase this year--despite continuing inflation--is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building--"Old Main"--has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516, as compared to $388,122 in the preceeding fiscal year.

## NORTH CAROLINA BAPTIST FOUNDATION REPORT TO ASSOCIATIONS - 1979

*"Moreover it is required in stewards, that a man be found faithful."*
*I Corinthians 4:2*

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the Gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activites.

The Foundation has been actively engaged in assisting individuals in not only having their Wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of givng provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources--both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions or by writing or calling the Foundation office. The address is: P.O. Box 26508, Raleigh, North Carolina 27611.

## BIBLICAL RECORDER

In its 146th year of serving North Carolina Baptists, the **Recorder**, like old man river, keeps rolling along. The **Recorder** faced the same problems as everyone did in the past year--price increases in every phase of its operations. The cost of postage continues to go up at a rate of more than 30 per cent a year. This means the **Recorder** is costing four times as much to mail as it did five years ago.

Paper and printing also have gone up, but despite these increases, the **Recorder** still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the **Recorder** can still go into every home in a church for only 7½ cent a week. In today's inflationary world, where else can a person receive so much for so little money? You would pay twice that much for postage on a first class letter.

This has been a newsworthy year and the **Recorder** has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the **Recorder** to strive for fairness and responsible coverage. Action will be taken at the State Convention in November on a proposal that has been worked out by a special committee.

The Southern Baptist Convention in Houston was another important story this year and as always, the **Recorder** was there.

Even though the **Recorder** takes pride in its coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The **Recorder** believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the **Recorder** better each week. Your support of the **Recorder** will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the **Recorder**, please take steps immediately to see that this is done.

## CHRISTIAN EDUCATION

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

Respectfully submitted,
Bobby Buchanan

## BAPTIST CHILDREN'S HOMES

We usually look at our North Carolina Baptist Children's Home as only providing care for dependent, neglected, and homeless children, but they also provide many other services. Our Children's Home also provides housing for unwed mothers and their children, and provides professional counselors to aid them with renewing family ties and other related services.

Our agency attempts to work with the broken families, in an attempt to repair the damage, while at the same time caring for the needs of these neglected children. This is an earnest effort to strengthen the family, which is the basis of a strong and free country.

As a result of such widespread services, the North Carolina Baptist Children's Home, they have affected the lives of more than four thousand, one hundred and seventy-five (4,175) people, this year alone.

Consultant services were provided for more than four hundred (400) adults through Child Development and Family Services.

Beginning in January of nineteen hundred and seventy-eight, a Family Resource Center, was opened in the Charlotte area. This center, directed by Phillip R. Morrow, provides all the resources of the services of the Baptist Children's Homes, to all the surrounding counties, to the local Baptist Leaders and clients, through its office at 209 South Kings Drive. This center is an effort to join the hands of pastors and local community leaders, in strengthening family life.

Long range development plans are projected to provide for approximately 850 children in daily care by 1985.

The basic goal of our Children's Home is not just to serve children, but to meet the needs of children and families in order that our future generation might have the best possible chance to grow up in the best way possible.

Raymond A. Futch

## NORTH CAROLINA BAPTIST HOMES FOR THE AGING

This has been a year of great significance and celebration in the life of our North Carolina Baptist Homes for the Aging! We would give praise and thanksgiving to God especially, and to our Baptist pastors and churches throughout North Carolina for the victories that we have experienced!

Of outstanding importance has been the completion, dedication, and occupancy of our new Western North Carolina Baptist Home, in Asheville. This lovely new Home, accommodating 50 additional residents, was dedicated to the glory of God on April 29, 1979. Already, there are enough residents who have arrived, and those who have been approved for admission, to fill the Home.

The new apartment complex in Winston-Salem, accommodating 16, has been completed and all of the apartments have either been filled or assigned. With an older apartment, built in 1961, there are a total of five duplex apartments, accommodating 20 persons. With the apartment complex, the six Baptist Homes for the Aging, and the skilled nursing facility, 300 persons can be served in our Baptist Homes. Homes are located in the following places: Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home, in Yanceyville; the Western North Carolina Baptist Home, in Asheville.

Support through the Cooperative Program for our Homes, which supplies about 8% of our total budget continues in a steady and encouraging manner. During the 28 years of the ministry of the Homes, however, the amount of 1 2/10% of the Baptist State Convention Cooperative dollar for the Homes has never been changed.

Through the love gifts of North Carolina Baptists, five out of every six people, who cannot pay the full cost of care, are supplemented. This, therefore, is a ministry of Christian love and compassion at its best in the lives of those dear older people who are in our care.

Ministry to an older person is a ministry as unto Christ Himself. We trust that you will keep this vital ministry close to your heart and in your prayers, and that your gifts will enable us not only to minister to those in our care, but encourage us to expand this desperately needed ministry in our Convention.

Respectfully submitted,
Hassell Lamm

## ANNUITY

The Annuity Board administers retirement and protection programs for salaried Southern Baptist Church personnel. The church should contribute, as a minimum, an amount equal to 10% of total compensation. Each person or church selects the Fund or Funds into which contributions will be deposited.

### FAMILY BENEFIT SECTION

"Old Plan A" closed to new membership in 1978. It provides basic protections of retirement, spouse benefit, disability, child, child education benefit and a temporary income benefit. The cost is shared by the state convention.

### PROTECTION SECTION FOR MINISTERIAL PERSONNEL

This section (which began in 1978) is provided for eligible ministerial personnel after the church participates in the retirement section and upon state convention approval. The state convention contributes up to $200.00 per year which provides a Disability and Survivor benefit.

### AGE SECURITY SECTION

This section offers the choice of two Funds for providing benefits. Contributions may be put in either or both of the Funds. **Fixed Fund** - The philosophy of this Fund is to invest the assets in fixed income investments. The principal is guaranteed and will be credited with a rate of interest to be determined at the beginning of each year. Crediting is from the date of deposit to the individual's account. (Annual rate of interest to be credited in 1978 is 7.5%). **Balanced Fund** - The philosophy of this fund is to "balance" the assets among several types of investments such as common stocks, bonds, leases and mortgage loans. The investment ratio will change as economic conditions warrant. The portfolio is managed with a view of protecting contributions and seeking capital appreciation. Credit to participants' accounts will vary, based on a total net earnings each year.

### VARIABLE FUND SECTION

This Fund is invested in common stocks. Contributions received during the month buy units (similar to shares of ownership). the value of the unit is determined by the market value of the stocks held in the Fund as of the last day of the previous month. The value at the end of each month tends to fluctuate with the market. Contributions to the Variable Fund cannot exceed 50% of total retirement contributions received in behalf of a member.

### METHOD OF APPLICATION OF ACCUMULATIONS

When an individual retires, the total amounts available from the Funds will be used to provide an annuity benefit based on the Settlement Option selected by the individual.

Talmadge Wilcox

## AMERICAN BIBLE SOCIETY

The years had taken their toll. Her face was quite wrinkled now--possibly from years of working in the sun, because she was obviously not wealthy. But every Sunday morning she passed his newsstand, stopped and handed him a Scripture Selection. As she did so she always said the same words to him: "Take and read the message. It will be of help to you in your life."

The newsdealer politely accepted the Selections each week and put them on a shelf beside him. He started reading--first one, then another. He began to discover that indeed the Selections did contain a message for him. It was a message of hope, a new way of looking at life and living. He anxiously waited for the old lady to come by again the next Sunday morning so that he oculd ask her more about the Scriptures he had read. At his request she brought him a New Testament which he studied with a sense of urgency. The more he read the more he wanted to know about God.

Then came the Sunday morning when he closed his newsstand and joined the elderly lady as she went to church. There he found the peace and security for which he had been looking. He also found he was able to see his problems from a new perspective and to start living a new life. Sometime later he was baptized and began a new job directing a mission post of the church in Lima, Peru.

Now you know why we are excited when we report that over 500 million Scriptures were distributed in 1978. The seed is being sown and it falls on good soil over and over again.

Increases in Scripture distribution were dramatic in many areas of the world. Total Scripture distribution throughout 1978 by all of the Societies cooperating with the United Bible Societies reached 503,125,210 Bibles, New Testaments, Portions and Selection--a 23 percent increase over the previous year.

## CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Council on Christian Life and Public Affairs is made up of twenty persons selected by the Convention. Eight come from the General Board, while the remaining twelve are elected at-large. These persons give overall leadership to the Council's staff.

There have been two changes in the staff. W. Douglas Cole has recently been named Director of the Division of Christian Life and Public Affairs. Earlier in the year Ted W. Williams was named Director of the Department of Aging.

The Christian Life Council has been concerned with a number of moral issues during 1979. The status and health of the family is of great importance. In an effort to strengthen family relationships, the Council has been involved in marriage enrichment retreats and associational family life conferences. In addition, a marriage enrichment retreat was held for ministers and their spouses. A family life poster has been printed and is being made available to churches.

More than seven hundred North Carolina Baptists participated in the newly-formed Legislative Information Network. Members of the Network received a guidebook containing relevant information on the North Carolina General Assembly. In addition, a regular newsletter was mailed to all participants, keeping them informed on a wide variety of legislative issues of interest to Christians.

Work by the Department of Aging was begun this year. Under the leadership of Ted Williams, the Council has sponsored a Senior Adult Conference and a Senior Adult Retreat. Efforts are being made to designate a senior adult co-ordinator in many churches and associations. As the number of senior adults in our society grows, it will be increasingly important for us to find creative ways to minister with senior adults and to help them to deal with the problems of growing old.

The plight of millions of hungry and starving people around the world has continued to hold the attention of Baptists. A packet of materials was prepared by the Christian Life Council to aid churches in the observance of World Hunger Day in August. Many churches have participated, through special services, offerings, study groups and other means, in helping hungry people around the world. Many more need to become active in feeding some of Jesus' brothers and sisters, in his name.

Applying the radical teachings of our Lord to our day-by-day lives is not easy. Jesus said that in order for his followers to come after him, they must first take up their crosses. The task of the Council on Christian Life and Public Affairs is to help North Carolina Baptist to live life as Christ would have us to live it.

W. Douglas Cole, Director
J. George Reed
Ted W. Williams

## STEWARDSHIP COMMITTEE

We greatly appreciate the financial support given to the Beulah Baptist Association during the past year by its churches. Contributions from member churches totalled $24,718.29 this year for an increase of 22%. We are grateful to God for these increases, and we are happy to report that we are on schedule towards doubling our receipts during the five year period from 1977-1982. It is encouraging and exciting to find that we are on our way toward reaching our financial Bold Mission Thrust goals in the Beulah Baptist Association. We understand that our financial giving is but one aspect of the Christian's overall stewardship responsibility, and we trust that increased giving is a result of increasing commitment to God.

We want to publicly thank Mrs. H.M. Beam for her many faithful years of service as Treasurer, and we also wish to thank Mr. Walter Hamlett for his excellent service in assuming the duties as Treasurer.

The Stewardship Committee reaffirms the action taken last year concerning Bold Mission Thrust and offer the following recommendations as a unit:

(1) That each church and church member give of their other resources of time, talents, and service through the Association in order that we might better minister to people in our counties.
(2) That our Bold Mission Thrust Committee continue to function:
    (a) seeking out people to become involved in Associational ministries;
    (b) interpret to the churches the immediate and long range plans for mission action in our association;
    (c) keep the Association and churches aware and informed of Bold Missions emphases.
(3) That the Missions Committee and Associational Council make immediate and long range plans to meet the missions needs of the people of our counties.

Realizing that the above recommendations must have financial support we offer the following recommendations:

(1) That each church contribute at least 3% of its total receipts to finance the Associational Missions programs;
(2) That each church increase its associational giving this year;
(3) That within the next four (4) years we continue towards doubling our associational budget;
(4) That these monies be used primarily for mission purposes and pressing associational needs;
(5) That each church strive to give at least 4% of its budget to Associational Missions by 1982.

We also recommend that Department Officers and directors present their plans, and financial needs to the Stewardship Commitee no later than August 15 of each year in order that they may be fully considered in the preparation of the budget to be presented in the September Executive Committee meeting.

Finally, we recommend the adoption of the following Proposed Budget for the year October 1, 1979 - September 30, 1980, totalling $29,616.00 with an increase of $2,080.00 over the previous year.

## RESOLUTIONS COMMITTEE

Whereas, the home has been through the ages an instrument of God for the proclamation of His love for each individual and it has been one of the building blocks upon which this society is structured, and

Whereas, today the institution of the home is under subtle attack from evil forces driving throughout society through the means of some Television programing, and the printed page, and

Whereas, the interpretation of the laws of the land has become lax and lend themselves frequently to the destruction of the home rather than the preservation of it, and

Whereas, coming behind us is a "hurt" generation of children and youth many of whom are being deprived of Biblical, moral and spiritual training.

Now therefore be it resolved that the Beulah Baptist Association meeting in its 145th Annual session encourage each pastor, and each congregation:

1. To institute programs toward strengthening the home.
2. To help create a community atmosphere conducive to the building of the home.
3. To encourage and pray for Christian Teachers in our public schools that they may impart to **their** students Christian concepts of the home.
4. To support lobbyist groups such as the P.T.A. who are endeavoring to bring pressure on the T.V. Industry to air programs which would build the family rather than destroy it.

Respectfully submitted,

# Reports

## MISSIONS COMMITTEE

The Missions Committee has met regularly during this year. Each session was begun with a devotional time, geared to minister to each committee member and given to hearing associational prayer needs. Prayer has been the most important focus for the committee. Intercession for the association, each church and individual persons occupied first place in each meeting.

The prison ministry has continued to be evaluated as a mission thrust for our association. Mr. Burke Holland met with the committee during our first January meeting. He covered the scope of prison ministry in North Carolina, and urged us to find a way to provide a chaplain for the units within the association's boundaries. Several ways to explore this ministry were suggested.. The guideline for seeking aide from the Department of Chaplaincy of our State Convention was reviewed. The qualifications for a minister in the chaplaincy program were also studied. These documents are in the hands of the Missions Committee.

The Executive Committee heard the prison report in its May meeting and voted for the Missions Committee to continue steps toward a prison chaplaincy program. The committee is now in a position to look for fund sources and seek out a chaplain. Pray that this program will come into existence soon.

The Missions Committee is still concerned that not all churches have a Missions Committee or contact person for the most productive pursuit of missions in our association. The association, in all programs, should be "on missions"; led by the Missions Committee in cooperation with each of the Church committees.

The Mission Committee made a deliberate effort to encourage the study of "The Doctrine of Missions" in all churches in the spring. In cooperation with the Church Training Director, a team was trained in Greensboro to have a clinic in our association. This was a great program under the able leadership of Francis Smith. There were forty-five persons who attended the clinic with ten churches represented. Let us continue the urgent need to study Biblical missions and apply them in our association.

An intense study of our association was launched. It was to follow the Home Mission Board's GUIDE FOR ASSOCIATIONAL SELF-STUDY. The committee studied the contents of the self-study.

At the May executive committee meeting, a report was given and approved. It was concluded that enough recent materials were available for current use in establishing mission programs. Each church should have these pamphlets since they have been made available.

The materials are: DIRECTIONS; A DIRECTORY OF HUMAN SERVICES IN PERSON COUNTY, NC; GUIDLINES TOWARD MIGRANT SEASONAL FARMWORKERS MINISTRY; an analysis, BEULAH BAPTIST ASSOCIATION by Hassell Lamm; VOLUNTEERS MAKE A DIFFERENCE (Prison work); and MISSION PROJECTS FOR BEULAH ASSOCIATION. These resources for mission projects may be obtained through the associational office if a pastor or church wants a copy. These resources contain the basics of our self-study as accepted in the May Executive meeting.

The Missions Committee has worked with the Timberlake Baptist Church during this year. This church seeks admission to the Beulah Baptist Association and has been most cooperative. The Missions Committee has given guidance, encouragement, and helped obtain State Convention aide for this church.

On July 3, 1980, the church sent a delegation to the Missions Committee meeting with this report. (The report and action of Missions Committee as recorded in the minutes appear as follows:)

> "The church started on 10/22/78. Rev. McNabb came on 12/1/79. They are being helped by the Convention at $200.00 a month. They have Monday night visitation and a Wednesday night Evangelism Class. On Sunday Evenings they have a class for new converts and a 7:00 P.M. worship. On 6/28/80, they adopted a church constitution based largely on the format suggested by the convention. They have pledged 10% of their income to the convention and 3% to the association. Their weekly offering now runs $450 to $500. In the last four months they have received fourteen people by letter and baptised sixteen new converts. They have been given four acres of land in the area between Timberlake and Surl. They are now in the process of completing a State Convention supervised five mile radius survey of families. Plans are to complete this early in July. The church how has a membership of 86 members (started with 55) with around 85 to 90 in worship each Sunday. They have around 55 in Sunday School although they do not have rooms to meet in for class. The recent Bible School enrolled 110 and had an average attendance of 92. Most of the membership comes from families who are between the age of 25 to 40. The church has $10,000 in a building fund and 2 to 3,000 in the general fund. They

plan to elect 5 deacons on 7/13/80. The delegation credited Dr. Upchurch and Dr. McCormick from the State Convention for leadership and direction. The church gives all to the Glory of God. After hearing the report the Missions Committee commended the delegation and Chairman Cox warned the delegation to "pay attention to the foundation. You only have one chance to build a foundation so do it right--cut no corners." Chairman Cox also urged them to keep the attitude of being sacrificial toward the church. The petition for membership in the Association will be voted on during the October Associational meeting.

Rev. McNabb requested that the vote be taken 1st session so that the church could take part in the remainder of the meeting as a member. He noted that one of the 1st items of business of the church two years ago was to seek to be a part of this Association.

Upon hearing the report of the delegation Ronnie Dunevant moved that we, the committee, correspond to the church our appreciation for their co-operation and commendation of their work and that at this point we affirm our relationship with the church as moving along with them toward membership in the Association. Association. Bessie Pixley seconded and motion carried."

Further contacts by the Missions Committee Chairman affirms the continual progress and good spirit in the church. Their desire towards entrance into the Beulah Baptist Association remains undiminished.

In conclusions, may God's Spirit ever lead Beulah Association into a deeper commitment and involvement in missions here and world-wide. That is our primary reason for existing. (Read Matthew 28:19 and Acts 1:8).

Respectfully submitted,
Belvin W. Cox, Chairman

## EVANGELISM

I know to most of us Spring 1982 sounds a long way off. But, when one begins to think about it is not as far as one would believe. During that spring we are asking every church in our State Convention to have a Spring Revival. Also, this is to be a joint State Wide Crusade with the Black Baptist Churches. Please begin to make your plans in the coming associational year.

There will be one major change this year in the Youth Evangelism Conference. In the past it has been in Greensboro on a Friday night in August. This year it will be in three different places on successive nights. The three cities are Fayetteville, Greensboro and Asheville. Our area will continue to go to Greensboro. The night will be changed to Saturday, August 29, 1981.

I am praying that during this next associational year we all might be more diligent in our effort to share and win more people in all our churches to Christ and His love.

Respectfully submitted,
Michael Branscome

## WOMAN'S MISSIONARY UNION

In 1979-80 the WMU began a two year emphasis - Life Changing Commitments. Throughout the year all age-level magazines published articles on various aspects of Christian life style and suggested ways of helping WMU members to make life-changing commitments. This year has laid the foundation for 1980-81 and we challenge our organizations to make more definite life-changing commitments, in order to help bring about SBC goals in Bold Mission Thrust.

This has been a busy and interesting year with good meetings, great fellowship, good work, and greater interest in mission activities. We realize there's still much work to be done - We accept this challenge for the new year.

Some officers attended the Associational Leadership Conference at Ridgecrest and some the one at Mundo Vista in order to learn about new materials, new methods and new goals to enable them to lead an excellent Beulah Leadership Conference at Roxboro Baptist Church on September 13, 1979.

Dr. George W. Braswell led our Foreign Mission Study at Westwood Church. He gave us first hand information about Iran.

Our women were very generous in giving gifts to the Women's Correctional Center in Raleigh at Christmas. We thank Mr. Lamm for delivering them. This is a project we have done before, and we shall do it again this year.

Westwood Church was our gracious hostess for our Annual meeting in April.

This year seven women attended the N.C. WMU Convention in Winston-Salem. Six women went to a Baptist Women's Retreat at Caswell Assembly led by Miss Martha Franks.

Mrs. Tom Humphries took forty girls to the GA-tivity in Raleigh and Miss Dorothy Stewart (now Mrs. Crowe) took a group of Acteens to Meredith College to College Day. They also had a big Associational Birthday Party.

Mrs. Inez Rogers and I went on the N.C. WMU Bus Tour to Toronto, Canada to attend the Baptist World Alliance.

On May 31, 1980 Montwood Church was hosteses to an Associational Prayer Retreat led by Mrs. Mary Ellen Willett of World Literature Crusade.

We thank the churches who were so gracious and hospitable to allow us to have meetings with them.

This year has passed but a new one is here and we officers, of Beulah WMU solicit your prayers and greater commitments for the greatest year we have ever experienced.

Prayerfully submitted,
Myrtice B. Woody (Mrs. J.J.)

## MUSIC DIRECTOR

On May twelfth we attended the Key Leadership Conference at Ridgecrest. We appreciate all that attended the Association Key Leadership Conference, on June 3rd and 5th, at which time we shared the needs and hopes for a better music program in our Association in the future.

We hope to see more fellowship between the churches and music directors. One way is to form an associational music library, to help defray the expense of purchasing music for the local church.

Raymond Futch

## THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

This is the 60th birthday for the North Carolina Baptist Foundation Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist Colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Co-operative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a Will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation receives gifts to support Baptist causes is through charitable trusts. Trusts have been established through will, through purchase of gift annuities and through establishment of annuity trusts.

During the past year, through the many ways it is able to accept gifts, **new** trusts have been established with combined assets of $650,000. **Additions** to existing trusts, providing for scholarships, missions offerings, memorials and many other causes, were more than $370,000. The audit of Foundation records for the year was $1,018,681.00 with total assets of the Foundation being $5,115,000. This is exciting when we remember it is all designated for Kingdom work through Baptist institutions and causes.

In the coming year, the Foundation will continue to emphasize stewardship and commitment. Among major plans is the conducting of several seminars on estate planning for women. The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

Hassell Lamm, Sr.

## BAPTIST HOSPITAL

North Carolina Baptist Hospital was founded in 1923 as a missionary ministry of the Baptist State Convention of North Carolina. It was operated as an 80-bed community hospital until 1941 when, in cooperation with Wake Forest College, it became the principal teaching hospital of the Bowman Gray School of Medicine. Since that date, Baptist Hospital has been a partner with the medical school in what has grown to become one of 124 academic medical centers in the United States.

During the past 25 years, the progress of medicine has exceeded that of any previous century in man's history. These advances have resulted from a wealth of new medical knowledge which has been produced throughout research.

During the past year, the hospital has again received accreditation for maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accrediation. accreditation.

The hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services.

There is an interesting story reference to Larry Stewart. Neuro-surgery thanks to Medical science.

John Hancock

## BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina, Incorporated is an Institution of the Baptist State Convention and provides a Christian Ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

"At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

"This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the State. Nine Family Services Areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

Milton Crowe

## NORTH CAROLINA BAPTIST HOMES FOR AGING

Ministry to an older person is a ministry as unto Christ Himself, and it is people like **Mrs. Tillie Crabtree** who made it all worth it. Mrs. Crabtree, a resident a Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank You" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes from her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry - Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western

North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes - through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment Complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within the year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptists for all that you are, and for all that you do for them.

Respectfully submitted,
Clyde Everette

## CHRISTIAN EDUCATION

There are seven North Carolina Baptist Colleges and Universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist Colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

Respectfully submitted,
Deborah Futch

## BIBLICAL RECORDER

Faced with the same inflationary pressures that every family has these days, the **Recorder** has managed to get through another year without an increase in subscription rates. A church can still send the **Recorder** to resident families for only 7 cents a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the **Recorder** is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptist and the **Recorder** has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationsship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversary. This is just one illustration of how the **Recorder** informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the **Recorder** was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus." Not only did the **Recorder** run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place--and the story was at least four years old anyhow.

Never has there been more misinformation circulated among our Baptist people. Those who do not receive the **Recorder** are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the **Recorder** to every church family. See that your church makes this move in the coming year.

Respectfully submitted,
Hassell Lamm, Sr.

## ANNUITY BOARD

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work," according to Dr. Darold H. Morgan, president.

Key statistical highlights in 1979 included:

1. A 13th Check amounting to 10 percent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of $19,131,539 in retirement benefits was paid..
3. Insurance benefits through the Board's church, agency and seminary programs amounted to $13,067,338.
4. Total assets held in trust at the close of the year equaled $667,521,987. This figure represented a growth of $97,787,516 over 1978's total.
5. Premium income totaled $69,548,849, including contributions and relief receipts. A total of $35,348,300 was designated for the Fixed Fund investment plan, $2,332,869 was earmarked for the Balanced Fund and $12,121,729 went into Plan A. Insurance premiums totaled $14,291,178.
6. At the close of 1979, the Board counted 22,879 church and agency member accounts in Plan A, 43,927 in the Fixed Fund investment plan, 4,934 in the Balanced Fund and 3,941 in the Variable Fund.

## AMERICAN BIBLE SOCIETY

Since its founding 164 years ago, the American Bible Society has offered the peoples of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with a distribution of 6,410 Bibles in 1816, the ABS has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, Portions and Selections.

In many overseas areas there were extremely encouraging increases in the number of people reached with God's Word.

### TRANSLATIONS

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. In two of these languages the first publication was the entire New Testament. These are Bokyi spoken in Nigeria and Moldavian spoken in Moldavia, Soviet Russia. A translation of the Gospel of John into Avar spoken in Dagestan Soviet Russia was the first book of the Bible published in that language. The number of languages in which at least one book of the Bible has been published as of December 1979 was 1,685.

### NEW READER SCRIPTURES

By the end of 1979 New Reader Scripture Selections had been published in 228 languages. Translation of these booklets had been completed in 315 languages and was proceeding in an additional 84 languages. New Reader Scriptures accounted for almost 10 per cent of the distribution throughout Latin America; 15 per cent of the Scriptures distributed throughout Asia and 18 per cent of the Scriptures in Africa.

### VOLUNTEERS

The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 Volunteers in 1979. More than 13,000 of these Volunteers are Church Representatives who actively promote American Bible Society Scriptures and programs in the local churches. Over 2,600 Volunteers maintain Scripture Courtesy Centers in their homes or business establishments where ABS Scriptures can be purchased by the general public.

The tremendous advances achieved for the Bible cause during 1979 were made possible because of gifts received from organizations such as the Southern Baptist Convention. The ABS asks that Bold Mission Thrust be just as bold in Scripture distribution as in other areas of mission work. Only then can we be certain of having the Scriptures available that the Southern Baptists need around the world.

Jim Shelley

## STEWARDSHIP COMMITTEE

Our sincere appreciation to every church who gave financial support to the ministry of Beulah Baptist Association during the past year.

Reverend Stephen Richerson chaired this committee for the majority of this associational year. We're grateful for the fine leadership he provided.

From 1977, Associational contributions have increased from $21,853 to an anticipated $32,066 for the 1980-81 Associational year. Very simply, in these inflationary times, we have no recourse but to increase our giving through sacrifice, developed from a sense of need and love. So, continue to take seriously the suggestion of your stewardship committee "that each church strive to give at least 4% of its budget to Associational Missions by 1982." This will enable our Associational leadership to relate to the needs of our churches and the mission needs in our communities more efficiently--all to the glory of God!

Again, thanks for the increasing financial support of your church to the Beulah Baptist Association.
